# Creating Tomorrow Trust

## Whistleblowing Policy

### 1. Introduction

Creating Tomorrow Academy Trust wants all workers to be confident that their concerns will be taken seriously and that they will be protected from unfair treatment if they raise a concern.

The Trust is committed to the highest standards of openness, probity and accountability. It encourages an open dialogue between colleagues, leaders, governors and trustees to ensure concerns are resolved at the earliest opportunity. It is important to the schools and college that any wrongdoing within the school or college is reported and properly dealt with. The school or college recognises that workers are valuable eyes and ears within the organisation, and therefore encourages all individuals with concerns to come forward and voice these.

If an individual has concerns about anything happening within the school or college, they should read this policy. This policy sets out the way in which individuals may raise concerns and how they will be dealt with.

The Public Interest Disclosure Act 1998 protects workers who make 'protected disclosures' from dismissal or from being subject to a detriment.

### 2. Aims

This policy aims to:

- Encourage individuals affected to report suspected wrongdoing as soon as possible in the knowledge that their concerns will be taken seriously and investigated, and that their confidentiality will be respected
- Let all colleagues in the Trust know how to raise concerns about potential wrongdoing in or by the Trust
- Set clear procedures for how the Trust will respond to such concerns
- Let all colleagues know the protection available to them if they raise a whistle-blowing concern
- Assure colleagues that they will not be victimised for raising a legitimate concern through the steps set out in the policy, even if they turn out to be mistaken (though vexatious or malicious concerns may be considered a disciplinary issue)

This policy does not form part of any employee's contract of employment and may be amended at any time. The policy applies to all employees or other workers who provide services to the Trust in any capacity including self-employed consultants or contractors who provide services on a personal basis and agency workers.

### Whistleblowing Policy

#### 3. Legislation

The requirement to have clear whistle-blowing procedures in place is set out in the [Academy Trust Handbook](#).

This policy has been written in line with the above document, as well as [government guidance on whistle-blowing](#). We also take into account the [Public Interest Disclosure Act 1998](#).

This policy complies with our funding agreement and articles of association.

#### 4. Definition of whistle-blowing

Whistle-blowing covers concerns made that report wrongdoing that is “in the public interest”. Examples of whistle-blowing include (but are not limited to):

- Criminal offences, such as fraud or corruption
- Students’ or staff health and safety being put in danger
- Failure to comply with a legal obligation or statutory requirement
- Breaches of financial management procedures
- Attempts to cover up the above, or any other wrongdoing in the public interest
- Damage to the environment

A whistle-blower is a person who raises a genuine concern relating to the above.

Not all concerns about the trust count as whistle-blowing. For example, personal staff grievances such as bullying or harassment do not usually count as whistle-blowing. If something affects a staff member as an individual, or relates to an individual employment contract, this is likely a grievance.

When staff have a concern they should consider whether it would be better to follow our staff grievance or complaints procedures.

Protect (formerly Public Concern at Work) has:

### 5. Procedure for colleagues to raise a whistle-blowing concern

#### 5.1 When to raise a concern

Colleagues should consider the examples in section 3 when deciding whether their concern is of a whistle-blowing nature. Consider whether the incident(s) was illegal, breached statutory or trust procedures, put people in danger or was an attempt to cover any such activity up.

#### 5.2 Who to report to

##### ***Raising concerns with the Appropriate Person internally***

The trust encourages individuals to raise concerns internally with an Appropriate Person. The following are considered by the Trust to be Appropriate Persons:

- the Headteacher
- the Chair of Trustees
- the Chief Executive Officer, or
- if the person does not feel they can raise the concern with either of the above, a person identified in Appendix A.

*Depending upon the role there are different persons for whom the concern should be raised with:*

Role	Raise concern with
School / College colleague	Headteacher
Headteacher	Chair of Trustees
Chief Executive Officer, Chief Operating Officer, Chief Finance Officer	Chair of Trustees
Local Governor	Chair of Trustees
Trustee or Member	Chief Executive Officer

### Whistleblowing Policy

#### ***Raising concerns externally***

If the employee does not feel able to raise the concerns internally, it is recommended that they take advice from Public Concern at Work.

The individual may then consider reporting the concern externally

#### **5.3 How to raise the concern**

Concerns should be made in writing wherever possible. They should include names of those committing wrongdoing, dates, places and as much evidence and context as possible. Colleagues raising a concern should also include details of any personal interest in the matter.

## **6. Trust procedure for responding to a whistle-blowing concern**

### **6.1 Investigating the concern**

When a concern is received by the headteacher/trustee/other named person - referred to from here as the 'recipient' - they will:

- Meet with the person raising the concern within a reasonable time. The person raising the concern may be joined by a trade union or professional association representative
- Get as much detail as possible about the concern at this meeting, and record the information. If it becomes apparent the concern is not of a whistle-blowing nature, the recipient should handle the concern in line with the appropriate policy/procedure
- Reiterate, at this meeting, that they are protected from any unfair treatment or risk of dismissal as a result of raising the concern. If the concern is found to be malicious or vexatious, disciplinary action may be taken (see section 6 of this policy)
- Establish whether there is sufficient cause for concern to warrant further investigation. If there is:
  - The recipient should then arrange a further investigation into the matter, involving the headteacher and/or chair of trustees if appropriate. In some cases, they may need to bring in an external, independent body to investigate. In other cases, they may need to report the matter to the police
  - The person who raised the concern should be informed of how the matter is being investigated and an estimated timeframe for when they will be informed of the next steps

## Creating Tomorrow Trust

### Whistleblowing Policy

#### ***Initial Steps***

The action taken by the school will depend on the nature of the concern. The matters raised may, for example:

- be investigated internally,
- be referred to the Police, or other appropriate body
- be referred to an External Auditor, or
- form the subject of an independent inquiry.

Some concerns may be resolved by agreed action without the need for further investigation. The Appropriate Person receiving the concern will determine:

- whether an investigation is appropriate, and, if so,
  - what the scope of the investigation will be,
  - who will undertake it,
  - what third parties may need to be involved and
  - what form the investigation should take. Concerns or allegations which fall within the scope of specific procedures (for example, child protection) will normally be referred for consideration under those procedures.

Within 14 calendar days of receiving the concern, the Appropriate Person will write to the individual who raised the concern (if known), and will:

- acknowledge the concern
- indicate how the matter will be dealt with,
- tell the individual whether further investigations will take place, and
  - if not, why not, or
  - if so, who is investigating and what the individual can expect to happen next,
- give an estimate of how long it is likely to take to provide a final response, and
- tell the individual about any relevant internal or external support mechanisms.

#### ***Internal Investigation***

The investigator will conduct a proportionate investigation, taking any of the following steps, as appropriate to the circumstances:

- interviews of any potential witnesses, including the individual who has raised the concern,
- interviews of anyone accused of any wrongdoing,
- requests for written information or any other evidence from any relevant person,
- reviews of any relevant documentation and evidence, and/or
- contact with any appropriate third party.

## **Creating Tomorrow Trust**

### **Whistleblowing Policy**

The amount of contact between the investigator considering the issue and the person who has raised the concern will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. Individuals should not expect a running commentary on the investigation and must be mindful that some matters may be confidential.

When any meeting is arranged with the individual, they will be given the right to be accompanied by a trade union or professional association representative or a work colleague who is not involved in the area of work to which the concern relates. Individuals may not be accompanied by an external person.

#### ***Records***

The investigator will keep appropriate records of work and actions taken throughout an internal investigation.

#### **Conclusion of the Investigation**

The investigator will consider how best to report their findings and what (if any) corrective action they propose is taken. This may include some form of disciplinary action or third party referral.

The Appropriate Person will review the investigator's reported findings and will determine what action will be taken. The school accepts that individuals need to be assured that the matter has been properly addressed. Therefore, the Appropriate Person will provide them with a summary response to their disclosure, sharing an overview of what steps have been taken to investigate. Individuals should not expect to be given a copy of an investigator's findings. Outcomes and actions will only be shared if this is appropriate in the circumstances. Specifically, any disciplinary steps for other workers cannot be shared with the individual for confidentiality reasons.

#### **6.2 Outcome of the investigation**

Once the investigation – whether this was just the initial investigation of the concern, or whether further investigation was needed – is complete, the investigating person(s) will prepare a report detailing the findings and confirming whether or not any wrongdoing has occurred. The report will include any recommendations and details on how the matter can be rectified, and whether or not a referral is required to an external organisation, such as the local authority or police.

They will inform the person who raised the concern of the outcome of the investigation, though certain details may need to be restricted due to confidentiality.

## Creating Tomorrow Trust

### Whistleblowing Policy

Beyond the immediate actions, the headteacher, trustees and other staff, if necessary, will review the relevant policies and procedures to prevent future occurrences of the same wrongdoing.

Whilst we cannot always guarantee the outcome sought, we will try to deal with concerns fairly and in an appropriate way.

#### 7. Malicious or vexatious allegations

Colleagues are encouraged to raise concerns when they believe there to potentially be an issue. If an allegation is made in good faith, but the investigation finds no wrongdoing, there will be no disciplinary action against the member of staff who raised the concern.

If, however, an allegation is shown to be deliberately invented or malicious, the Trust will consider whether any disciplinary action is appropriate against the person making the allegation.

#### 8. Escalating concerns beyond the trust

The Trust encourages colleagues to raise their concerns internally, in line with section 4 of this policy, but recognises that colleagues may feel the need to report concerns to an external body. A list of prescribed bodies to whom colleagues can raise concerns with is included [here](#)

(<https://www.gov.uk/government/publications/blowing-the-whistle-list-of-prescribed-people-and-bodies--2>).

The Protect advice line, linked to in section 3 of this policy, can also help colleagues when deciding whether to raise the concern to an external party.

#### 9. Approval

This policy will be reviewed every 2 years.

These procedures have been agreed by the board of trustees, who will approve them whenever reviewed.
